### Subpart 1819.70—NASA 8 Percent Goal

#### 1819.7000 General.

Public Laws 101-144, 101-507, and 102-389 require the NASA Administrator to ensure, to the fullest extent possible, that at least 8% of Federal funding for prime and subcontracts awarded in support of authorized programs, including the space station by the time operational status is obtained, be made available to small disadvantaged business concerns, Historically Black Colleges and Universities, minority institutions, and women-owned small business concerns.

#### 1819.7002 Contracting officer responsibility.

(a) Contracting officers must seek out as potential sources entities identified in 1819.7001 and give full consideration to these entities to satisfy NASA requirements. The participation of NASA prime contractors is also essential to meeting the Agency's 8 percent goal.

(b) NASA Policy Directive (NPD) 5000.2, Uniform Methodology for Determination of Small Disadvantaged Subcontracting Goals, contains guidance on developing realistic goals. It is applicable to acquisitions expected to exceed \$50 million, including options. The methodology may be used for lesser value acquisitions.

#### 1819.7003 Contract clause.

The contracting officer shall insert the clause at 1852.219-76, NASA 8 Percent Goal, in all solicitations and contracts other than those below the sim-

plified acquisition threshold or when the contract, together with all its subcontracts, is to be performed entirely outside of any State, territory, or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and the Trust Territory of the Pacific Islands.

### Subpart 1819.71—NASA Rural Area Small Business Plan

#### 1819.7101 Definition.

*Rural area* means a county with a population of fewer than twenty thousand individuals.

#### 1819.7102 General.

Pursuant to Public Law 100-590, NASA established a Rural Area Business Enterprise Development Plan, including methods for encouraging prime and subcontractors to use small business concerns located in rural areas as subcontractors and suppliers. One method is to encourage the contractor to use its best efforts to comply with the intent of the statute.

#### 1819.7103 Solicitation provision and contract clause.

The contracting officer shall insert the clause at 1852.219-74, Use of Rural Area Small Businesses, in solicitations and contracts that offer subcontracting possibilities or that are expected to exceed \$500,000 (\$1,000,000 for construction of public facility) unless the contract, together with all its subcontracts, is to be performed entirely outside of any State, territory, or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico,
